

Supply List 2019-2020

Honors Geometry:

- Loose-leaf, college-ruled notebook paper (No spiral-bound notebooks, please)
- 3-Ring View Binder (minimum 2 in.) and 3 Tab Dividers

Labels for Tabs:

Notes

Homework

Graded

- Graph Paper
- Pencils and erasers (mechanical pencils preferred, pen usage on any assignment is prohibited)
- Metal Compass
- Geometer (ruler/protractor all-in-one sheet will be supplied by department and issued on the first day of school)
- TI-Nspire Handheld Calculator (standard or CX) with Touchpad (not Clickpad)

Important: Do not get the CAS edition (it cannot be used on the ACT)

TI-84 PLUS Keypad is optional

This calculator will be mandatory for Algebra II

Phi Team (items to have in addition to those needed for Honors Geometry):

- 3-Ring View Binder (minimum 2 in.- I don't mind you keeping your Honors Geometry and Phi Team materials in the same binder as long as they remain separated and organized) and 3 Tab Dividers

Labels for Tabs:

Notes

Practice Tests

Ciphering

Intro to Engineering 1:

- 3-ring binder (for storing handouts)
- Composition Notebook (college ruled) – These will be used as Engineering Notebooks. This is where most handwritten work will go.

- Pencils and erasers

Intro to Engineering 2: (items in addition to those needed for Intro to Engineering 1)

- Composition Notebook (college ruled) – You will need a second one of these for IE2. Also, in the event that students apply to patent the products that they develop, this would serve as important documentation.
- Pencils and erasers
